Dear Karyna,

Per your request i recalled JE wire transfer to your parents account. =nfortunately I was not able to process the wire transfer from your =personal account as you are a retail bank customer, not a Private bank. =I contacted the Columbus Circle branch (your bank branch) and was =vised that you can wire funds out of your account only by walking in =o any JPMorgan Chase with the attached instructions and your =dentification. You can also set up a wire transfer directly from your =P Morgan Chase online account. There is a Payment and transfer option - =ire transfer. After you set up wire instructions you will receive a =all from the bank to verify the transaction. Please make sure the phone =umber is correct in your profile.

Karyna, i would be happy to help you to set up instructions on line.

Jeffrey, Please advise if i should reimburse 20k to Karyna.

Thank you,
Bella
