Dear =effrey: I wanted to touch base with you as we make detailed plans =or the April 4-6 events. I have been in touch this week with =teve Pinker and Craig Venter about organizing their miniworkshop panels =tc. We have also begun organizing a gala anniversary dinner at =he Botanic Gardens where, which will have a Chihuly glass exhibit that =s incredible and which we will have a private tour of.. eve of April =.. I am hoping of course that you will sponsor a table.. :) =nbsp; Anyway, I want to talk about the part of the event you are =oordinating on technology, entrepreneurship and the economy... I am =oping now that Summers doesn't have a job he can come. I have =ontacted Elon Musk and asked him to join us... =nbsp;

Can we talk about all =his?

Have you been reading my papers? 4 =ew ones this summer! here is my most recent one with wilczek from =ast week.. hasn't bee rejected by Science Mag yet.. =)

Also, haven't heard from you re plans for =he wedding.. you are staying a few days, right? Are you going to =ake your own arrangements for staying there or are you going to slum it =t the Disney hotel we have =ooked?

best

Lawrence
