Good evening =effrey,

</=:p>

We are =xcited for you to see the aircraft tomorrow.

</=:p>

We are in =ood shape but will require a couple days after the test flight to =etail and work off any squawks.

</=:p>

Please note =hat we could not get the cockpit camera to work. Although the =ompany sent us a "direct replacement" unit, after removing =he contents, it was not a "direct replacement", but in fact = "replacement system".

</=:p>

Larry has =equested for us to identify how long it would take to install this new =amera and I will have that answer tomorrow =fternoon.

</=:p>

This being =aid, I believe you are really going to love how the aircraft =ooks.

</=:p>

I am excited =or you to see it!

</=:p>

</=:p>

</=:p>

Eric
