..so i left the beam black..it s=ems it works with the roman numbers..., and i painted the design with bl=e and yellow picked from the sun..

then i adde= some orange and red to the face of the sun.. , i attached here a pictur= but its hard to see the difference from this angle..

i painte= the top feathers of the parrots with red and blue..

i think w= finished everything..

.....
s=rry i was a little tired at the end.. probably painting outside in the sun=was the reason and maybe too many project in the same time..

=n case you want me to do other projects.. like inside of five palms, or =anta fe, etc.. can we leave them for later..? i want to go romania for a=little while..stay with my mother, etc..

thank you,
