=div dir="ltr">Good Morning,

Attached Pro=ect Request and Approval for Curtain Construction for the Media Room. As no=ed this includes fabric, blackout & rings. The existing rings will not h=ld the weight of the new curtains, but the rods will be fine.

I contacted 2 local vendors, neither could provide the select=d fabric, another vendor Jo Annes called this morning, could provide the fa=ric but would be unable to start the work before late June, which is not id=al

Please note the Native Son invoice did have the estimat= for the curtains in Sarah's Office, since you have yet to confirm if you w=sh to move forward with this, since we are unable to locate enough of your s=lected fabric, I removed those details from the invoice.

If you require any further information please let me know&nbs=;  
Warmest regards
