=br>Hi Nick,

Perhaps we are finally moving forward =ith this project. Having U.S. Poultry & Egg stand beside us and =elp drive support- it doesn't get much better than that. I have a good =eeling about this. Let's hope we can keep the momentum and keep our =riends and fiscal supporters engaged.

I wonder if they should have people contact the fiscal agent =irectly? It would've been ideal to have Andrine handle this =ncoming

only the =est

Matt,

Thank you for the logo, and I have attached your updated release with this email. I have been traveling this week, so I apologize for the delay in responding to you.

We are planning to post the release on our end today.

Best regards,

Gwen
