**Attachments:** ZDC\_FIBRE\_ITC\_120412.pdf; Untitled attachment 00214.htm

total cost with tax =17,546.08

materials =6,577.51  
labor 53,665.00  
tax =span class="Apple-tab-span" style="white-space:pre" > =/span>7,303.57

i have not yet negotiated =is price lower and worth stated he thinks if we wanted to save =oney we could use a 1.25" ducts vs 2.0"  
brice has not yet =iven me his feedback on our conversation with worth last =eek

i am 100% confident that ITC is the proper =endor for the job and we probably can get 5-7% off original =uote

ITC bid did not break down individual =aterial costs attached are links for fiber and duct =hat were in quote:

Subject: Zorro Fiber =TC

Rich

attached is the =stimate from ITC for the install of Fiber at Zorro Ranch  
I have not fully reviewed yet, but thought it best to forward to you as =effrey is very interested in this project.  
please note, Bruce Chavez bid will go down slightly as I have taken =way landlines to the houses at ranch central  
with a good =ireless infrastructure cell phone should cover them. It also is a =avings by not running wire to each  
location.

The main difference in this bid vs Rich's bid is =onduit,  
please review and lets discuss pro and cons =omorrow if thats OK
