SAFE SHOPPING TIPS

=====

Amazon.com works hard to protect our customers. For your safety, when ordering items advertised by sellers other than Amazon.com:

- * Always place your orders directly through the Amazon.com shopping cart using Amazon Payments.
- * NEVER SEND MONEY DIRECTLY TO SELLERS THROUGH WIRE TRANSFERS OR CHECKS. We do not guarantee such transactions.
- * Beware of e-mails that request direct payments, request payment to international locations, or ask for personal information. Amazon.com will never e-mail you to pay for Marketplace transactions outside our shopping cart, or ask you to confirm personal information, such as a credit card number or password, using an e-mail. If a particular e-mail looks suspicious or unusual, please forward the e-mail to reports@amazon.com. Reporting this e-mail will help us enhance marketplace safety and serve you better in the future.
