I spoke more with Lyn about her sister..

I don't think it will work. First, they can't get off work because they already took their vacation when they thought they were going to Zorro. Lyn said her sister could commute back and forth between [REDACTED] everyday which is absurd; I told her she could stay in an apt for the few days in NY if they were able to come, and she said it wouldn't work because they have a [REDACTED] they have to look after.
