Jeffery;</=pan>

Rich and I spoke about these items last week. We were=trying to get clarification from you on how to proceed.

<=pan>We were going to review these projects again this morning.

I am not 100% clear on the scope of work.

* <=pan>Stucco, Brice got a bid from the original construction company. Do you=want two more bids?? If so Brice needs to go to ranch to meet with contrac=ors. Please advise. Current Project Cost; \$134,164

* Phone, Do you want 3 bids on switch. He has two now. I see the e-mail tra=fic on wiring ranch central. Brice can get bids on that. I believe there i= no cost advantage to completing these projects together. Do you wan= to put switch in house now or wait on bids for ranch central? Current Project Cost, House switch only, \$ 36, 495

* Well, there are two bids. The third company refused to bid. Do you want t= proceed with two bids. Current Project Cost \$110,996

* <=pan>Landscaping; There is one bid from the company that you usually use. D= you want two more bids or use your regular company Current Project Cost, = 38,184

* ATV's Mono has received two quotes from t=e two local vendors. There are only two vendors in ABQ that sell these mac=ines. Can we proceed with only two quotes? Current project Cost, \$22,821</=pan>

I will call,
Craig

noe of =rices bids are complete, detailed , or time described. . they are no= bid out, show no cost per sw foot, leave ranch central out an= no connection to main [hone line. its disconcerting &nbs=; wendhy says he spent less than 30 minutes with her.?
