Jeffery;
Rich and I spoke about these items last week. We were trying to get =larification from you on how to proceed.
We were =oing to review these projects again this =orning.
I am not 100% clear on the scope of =ork.

* Stucco, Brice got a bid from the =riginal construction company. Do you want two more bids?? If so Brice =eeds to go to ranch to meet with contractors. Please advise. Current =roject Cost; \$134,164

* Phone, Do you want 3 =ids on switch. He has two now. I see the e-mail traffic on wiring ranch =entral. Brice can get bids on that. I believe there is no cost =dvantage to completing these projects together. Do you want to =ut switch in house now or wait on bids for ranch central? Current Project Cost, House switch only, \$ 36, =95

* Well, there are two bids. The third company =efused to bid. Do you want to proceed with two bids. Current Project =ost \$110,996

* Landscaping; There is one bid =rom the company that you usually use. Do you want two more bids or use =our regular company Current Project Cost, \$ =8,184

* ATV's Mono has received two quotes from =he two local vendors. There are only two vendors in ABQ that sell these =achines. Can we proceed with only two quotes? Current project Cost, =22,821

I will =all,
Craig
