OK. The details are attached.

The German text indicates that there is also a pool and a sauna, but no photos.

Not sure if you are familiar with Davos, but I would say that this is a standard looking chalet. Also, I think this is our best shot-time was not on our side.

Please let me know how would you like to proceed.

Cheers,

M

Lieber Jean-Claude

das Haus ist das Haus Schelling: Die Fotodokumentation sowie die Mietbedingungen sind im Attachment, der ganze Poolbereich wurde letzten Sommer saniert und hat neu auch eine Sauna, leider habe ich noch keine Bilder davon.
