Jeffrey,

As you can see from the spreadsheet that I created to track shipments to LSJ.

The carpets sailed yesterday and will be in STT 8/13 and will take a couple of days to clear customs and bring to LSJ

The light poles for the tennis courts were ordered 8-9 and will take 3-4 weeks to get to the vendor

I have not received anything as of yet on the flagpole pool lights and just left Gary a message about it and will keep on him until I get some information
