hi jeffrey,

..i was looking at the sketch you gave to me, a=d i was thinking...what if i would do the waves exactly like you did in th= sketch., eventually without the blue outline it would be lik= your drawing on that floor...it would be like your signature somehow..i w=s thinking that would be nice seeing that drawing being in the air above t=e island...

in fact i was thinking at this because i like how =ou draw those waves.. ( please check the attachment..i attached here your =ketch) so what do you think?

anyway, i will come t=morrow morning 9:30 at the house, maybe we can talk more... sue called m=, she told me about some fish you want me to do in the between waves..

thank you,
