Subject: LSJ Invoices

Gary,

Attached are the current invoices for LSJ. They include 100% for the flagpole pool concept, and the main residence. We still have some work to do on each due to changing design direction, and we are going to get them to where Jeffrey needs them to be, but I would like to get these taken care of. The third invoice is for reimbursable expenses – primarily Tom's last trip to the Island.

Please let me know if you have any questions or need more info.

Thanks,

Warwick
