Probably you already left, but this girl just came to my place for a jeans fitting. 22, tall, skinny, very nice, here for 2 years, studies journalism in Baruch (like I did:), models, and her name is also [REDACTED]. I took this picture, but in life she's better. I'm 95% sure she will be interested, I already started to talk with her.

I'm also leaving this week to my brother till January 5-6, will meet with her again right after I am back...
