Hi Gregory,

Please find attached the images and =ext about the pair of commodes à portes that I thought could work for =our client, on each side of the fire place. They are just magnificent ; =e are reaching the top of quality and rareness and it would be a =erfect match with the outstanding pair of mirrors that your client =lready have. The price in USD as on today's exchange rate is =1,250,000 for the pair. But as you know the dealers are always open to =egotiation.

Please let me know what you think.

I will email you another =option : a pair of consoles or chests by Louis Cane who is using 17th =nd 18th century coromandel lacquer panels.

Thank you,

With best =egards,

Jean.
