Greetings Sir,

Smiley gave me his UVI S=udent schedule and invoice for the Spring 2014 semester. He is taking 1= credits, with fees which total \$1,869.00.

Smiley=already paid a deposit of \$125.00 so he could get enrolled, the balance du= to UVI is \$1,744.00.

May I pay UVI the \$1,744.00, and reimburse Smiley the \$=25.00?

Respectfully,

Dap=ne
