Hello █████, Please see attached 01.06.14 suppliers cost with the Attic stock removed and we have included the Holly Hunt Quoted Items.

- I have noted with the "revised Spec dates" for the Items that have been changed

- Please verify the items in which we do not have pricing for as they appear to require specification clarifications.

Please let us know how you want to proceed next.

Thx

Oren

Hello [REDACTED], See attached revised Spreadsheet.

I have Corrected the Redundancy in the Soft total Column.

I will need to Go Back to

- MOD SHOP
- HOLLY UNT
- MODERN FURNITURE NOCKOFFS

Who are the Only Suppliers I do Not have Pricing for on this sheet. Normally I would put a budget number in but with Holly Hunt that would be difficult as they are usually High Prices.

So Obviously there will be a revision to this once the Holly Hunt and Other respond...

Let's set a Call Time for 3PM today if you have Questions

Thank You

Oren

Because I was in a foreign country I was even prohibited from seeing my own family and spent Christmas in a hospital bed.

I am sorry for not being available for your calls.. but I am around today here in the office against my medical advise,

I'm catching up on emails and will call you after I read your requests.

Thx

We have =lso included the cost to warehouse, deliver & Install to the =ite.

We will need to get ordering because =ost of these require 12 Weeks to delivr which would put us right at the =ebruary date you wanted.

I have included bot = pdf and the actual spreadsheet for your use.

I'm so sorry for the delay, but loosing our server was a nightmare.
