This is [REDACTED] ticket! I have enlisted Ragu =o help. I could not decipher the ticket myself. He is working something up for us and will get back to us. She is currently =lying Air Tahiti (which he had to tell me) and they do not fly to NY. Here =s what I requested from him:

- Depart the same day as ticket she is holding, which is =unday Dec. 19th.
- Spend at least 48-60 hours in NY
- Try to pick up this ticket or use some of this ticket as =s (but he does not think that is possible)
- Return back on her original return =ate

I have also emailed [REDACTED] requesting her complete birth =ate, the exact way her name is spelled on the documents she travels with and a =ell phone number.
