Jeffrey, I care about you tremendously as opposed of what you think. I'm sorry=20 you don't see it... I'm not able to provide you with expensive thin=s such as trips or school and material goods but in my small way I try to do =ll my best to make you happy.

I am extremely grateful for what you are doing and I wish I could do the same for you... For instance, I'm always thin=ing of something nice that could make you smile but the distance doesn't make it easy... You told me I should exercise because you didn't like m= "fat ass" so I'm doing it and looked for a ballet class. I s=opped smoking and drinking, I'm trying to have good grades in school to not=20 disappoint you, I went to China because you said it was an experience I should do (you were right, I'm super happy I did it), I flew from Milan=to the island for 2 days just to see you, gave you all my love and trying to t=ke care of you when with you. I had a Trisom with [REDACTED] for you and did something I would have never done but did it by overcoming my fear for you.. I know that most of these things are also for me but trying to change in a better person to be serious in Life is mostly for you. I gave you all my trust and trusted you 100% , told you all about me even things that no one else new because you are everything to me and I'd give my life for you. The only thing I=can tell you right now is a huge Thank you and if there is anything I can =o for you just let me know.

I miss you everyday.

Ps: Remember that the letter I wrote for your birthday ca=e from the bottom of my heart and I mean it forever.
