Hi Lesley,

Unfortunately this weekend won't work for Charlie, he has some travel plans that are still up in the air so he doesn't want to commit to anything that he's not sure he'll be able to make.
Hopefully next time Jeffrey's in town we can work something out!

Thanks so much and please let me know if you need anything else.
Josie

Hello again Josie...Jeffrey will actually be in town all day Saturday and Sunday morning. Might Charlie have some time Sat. or Sun morning? I think Jeffrey would really love to see him!

Let me know.

Thanks,Lesley
