Dear Jeff=ey,

I apologize for being late with this but I wanted to thank you for having h=d me over to your magnificent house for tea last Saturday. Even if I was a=little quiet (!), I was fascinated by what I learnt from the conversation =ith your most distinguished/brilliant guests. The penny has now finally dr=pped and I think that I have correctly identified the origin of Ghislaine&=39;s confusion regarding my involvement in neuroscience! I am hosting a co=ktail party on December 14th for a friend of mine who's uncle is a Pro=essor in neurology (french!) and I had invited her. I must say that this h=s been very far from my mind these past weeks because I was fully focused =n the event which I had been working on for such a long time which was the=launch of Global Kids in Washington DC which happened Monday night at the =rench Embassy and which was a total success I am proud to say. Anyway this=is my guess as to what occurred, and all this to say thank you and that I =ould love it if you would come on the 14th.

Very best,

[REDACTED]
