Jeffrey, Gary and Doug,

I hope you all had a Happy New Year!

Attached please find two new plan sketches for the living room area.

- G-4A matches the photos Jeffrey sent last week, and is based on the call between Jeffrey and Tom. However, this layout overlaps the roadway a bit. We would need to move the road if there is room, or reduce its width.=o:p>
- G-4B is similar, but it moves the living room and pool south to avoid the road. (Yes, that moves the axis to the gallery west doors off center.) The stairs to the living room and pool are also slightly modified.<=span>

Please send us your comments. Also, is Tom's trip to LSJ confirmed for next week? I still think we need a little more time to develop the scheme more before the next meeting on the Island. We were hoping to have the layout finalized, and have the scheme modeled and drawn in more detail. Depending on when we set the direction, that could take a couple of weeks.=o:p>

Thanks,</=o:p>

Warwick</=o:p>
