Dear Terje,

Attached you will find the MAPS of DUINO town with the property of the Castle Gardens and the Castle highlighted in yellow-green.

It will be best to print out both pages and join them together as they have to be seen joined together.

NB: The areas circled in pink are property of the same owner, but are not for sale. One is his private residence and one is the family cemetery. Here a right of occasional access to the cemetery would have to be agreed to by the purchaser of the castle and its grounds.

Floor plans of the castle will follow now.

Dear Terje,

The maps you requested regarding the Castle of DUINO will be sent to you on Monday, 17 January 2011, as I still have to obtain some of those.

This is under the assumption that the manager is available, as the owners themselves are away on vacation. But the manager should be here.
