ABOUT TRAVELSKY

Founded in 2002, China TravelSky Holding Company is a national enterprise under State-owned Assets Supervision and Administration Commission of the State Council. With TravelSky Technology Limited as its core, TravelSky Holding Company completed business and asset restructuring and got listed in Hong Kong in 2008, boasting a registered capital of RMB 1.843 billion and total assets of RMB 8.26 billion. The company (hereinafter referred to as "TravelSky") is headquartered in Beijing, with more than 4000 employees. TravelSky currently has 12 branches, 21 subsidiaries (including the subsidiaries in Hong Kong, Japan, Singapore, South Korea, Europe and USA), 9 affiliated companies. Its customers include 30 Chinese domestic airlines and nearly 200 regional and overseas airlines, 147 domestic airports and 7000 ticket agents, broadening its service range into 300 Chinese cities, 80 foreign cities and into the social arena through the Internet.

ABOUT VESTA

Headquartered in Portland, Oregon, with operations in China and Europe, Vesta has been a pioneer and worldwide leader in electronic payment solutions since 1995. Vesta was the first company to successfully build and deploy non-retail electronic payment solutions for the telecommunications industry. Vesta delivers innovative payment solutions to a variety of verticals including financial services and e-commerce, and is recognized today as a global leader in payment technologies, data and security compliance and fraud management.
