but in 10 min I will have no way to pay for it and possibly no =ay to have access to the 71st location till monday ..... that is a =hame because i want to get this done for =ou

so if hbrk is closed and you still =ant me to get this done you and i need to come up with a plan to do =o

sorry to make waves but I want to meet your =eadline, and if I can bang this out over xmas and the weekend I will be =ble to focus on the cell data part next week which will be more of a =echnical challenge and can be handled during the normal 9-5 hours rich =eems so attached to.

after we get over this =ump lets come up with a better arrangement so I can accomplish things =or you faster then the current system will allow for ... if thats what =ou want of =ourse
