Jeffrey,

I just received the attached budget adjustment which nets out to zero but does wipe out line items that are over budget for example line item 08-210 Wood Doors is currently over budget by \$ 13,537 and this reclass will wipe this overage out by taking from one cost code to another.

In all of the past adjustments to the different project there are about 30 sheets similar to this one and we have always made the changes in the system.

Thank you

Emad Hanna
