Jeffrey

How are you? It has been far too long since we caught up. I wanted to send you a note to let you know that I recently resign from Golden Gate Capital along with several of my team members to start a new firm. Still working on all the details but wanted to give you my new contact information. ██████████ is the new phone and ██████████ is the best address. I hope all is well and would love to catch up live sometime that is convenient.

All the best

Stefan
