Lesley -

Hope you are well! Can you please p=ss along the following to Jeffrey. Thanks!

Atorus c=rrrently has operating partners' capital of \$20MM committed and is nearing f=rst close capacity. Additionally, Atorus has formed a partnership with Ryan=Kavanaugh, CEO and founder or Relativity Media, personally and through his f=mily office Knight Global, to invest a material amount into Atorus. I will b= in LA through end of this week and then back to NYC on Monday with Ryan. R=lativity Media is currently closing its last pre-IPO financing and there is=some capacity left for strategic investors. I mentioned to Ryan our connect=on, and to the extent it makes sense to meet either in NYC or LA with Ryan t= discuss both Atorus and/or Relativity let me know. Hope all is well with y=u.

Attached is the current Atorus Slide Deck=
