Jeffrey,

Attached please find u=dated sketches for the flagpole pool. These are mainly for the build=ng, approach, and view in from the road, per our discussions with Gary.&nb=p; We will send you more "design images" of the actual cabanas at the end of the day on Monday.

Please ignore the patt=rn on the exterior walls of the building. It looks like stone, but w= know this will be plaster.

We will also send you =ome design sketches of the stairs an living room at the end of the day Mon=ay.

Thanks,

Warwick
