Going to Wired party where I'm guest of honor.

You should connect for dinner with my girls - Cami and Michele - who I met last month in Munich. They're in LA raising money for porn movie aimed at women's market.

Here's their site <http://www.eddice.com>.

They're watching TED at Danny Hillis's house but they have a car.

The phone at Danny's house is [REDACTED]

Also Calacanis is having a birthday dinner for me Saturday nite. Camy and Michelle will be there.
