What you need to know to travel:

- * Don't forget to check in for your flight(s) 24 hours before your trip on southwest.com or your mobile device. This will secure your boarding position on your flights.
- * Southwest Airlines does not have assigned seats, so you can choose your seat when you board the plane. You will be assigned a boarding position based on your checkin time. The earlier you check in, within 24 hours of your flight, the earlier you get to board.
- * WiFi, TV, and related services and amenities may vary and are subject to change based on assigned aircraft. Learn more. <<https://www.southwest.com/wifi>>

Remember to be in the gate area on time and ready to board:

- * 30 minutes prior to scheduled departure time: We may begin boarding as early as 30 minutes prior to your flight's scheduled departure time. We encourage all passengers to plan to arrive in the gate area no later than this time.
- * 10 minutes prior to scheduled departure time: All passengers must obtain their boarding passes and be in the gate area available for boarding at least 10 minutes prior to your flight's scheduled departure time. If not, Southwest may cancel your reserved space and you will not be eligible for denied boarding compensation.
- * If you do not plan to travel on your flight: In accordance with Southwest's No Show Policy, you must notify Southwest at least 10 minutes prior to your flight's scheduled departure if you do not plan to travel on the flight. If not, Southwest will cancel your reservation and all funds will be forfeited.
