Some mad thinking:

What if we do some major counter-measure to this press crap by =stablishing a E&S Investment office in London for European & China =eals plus philanthropic funding for specific projects (children =ospital, university science, etc). It is your investment office fronted/headed by me and nobody knows you =re behind it until the moment we chose to disclose this.

I can bring in small team for the work which i have ready to recruit or =e use JPM back office ?

Downside is, it is your money.... and clearly very important: you need =o lend me your plane.....!!!!!!
