Hi Jeffrey,

I just wanted to first apologize for crying the other day. I understand fully I need to be completely committed to my responsibilities with the apts. I somehow thought I was being reliable and working hard but understand now that even though I felt I was, it doesn't mean I was doing anything correctly. I just wanted to tell you I am willing to lean and work even harder. Thanks for everything and thanks for helping me out with having a job :) . Xoxo
