Good Morning,

This is a rough outline which I will tidy & firm up once you r=view the door & 1/2 door suggestions Based on your direction TV at Zorro is on a chest, not wall mounte=, but clearly can be wall mounted The wall between the 2 operational breezeway doors is only big eno=gh for a small love seat hence moved large sofa forward with sofa table or=storage unit as an anchor, possible lamp placement area Clearly chairs & ottomans can be moved.  
Once you have confirmed door & wall I can forward a number =f other furniture placement recommendations Thanks  
Warmest regards [REDACTED]
