Jeffrey-as you know I am trying clean up the records and administration of =ll the inter-entity notes. Historically, the notes have been either written with interest "compounded annually" or "paid annually". I would like to p=t all the notes on annual cash pay and clean up (retire) some of the small=r notes.

First, any problem in going to cash pay on interest. Seems prudent, correct= B Sent from my Verizon Wireless BlackBerry
