It is really horrendous to be continually used to hurt people you care =eeply about by the newspapers. It is beyond any words, as you know.

I know you spoke to James. I of all people understand what it feels like =o be castigated by the Tabloids. I know how you feel.

I know you also feel hellaciously let down by me, from what you were =ither told or read, and I must humbly apologise to you and your heart for =hat. You have always been a steadfast, generous and supreme friend to me and my =amily. As you know I did absolutely not say the P. Word about you. But =nderstand it was reported that I did.

However, I am apologising to you today for not replying to your email, =r reaching out to you when the tabloids were so vicious and horrendous... =n the weeks leading up to that monday when I made my statement. And then =fterwards. When they used me to hurt you beyond realms.

As you know, it was and is the worst nightmare for you, but also for me. =s you know the whole story did not come about because of me.

However because of my statement they made it worse for you. I understand =ll this.

You know me well, and we are steadfast to that. But, I must apologise =or not reaching out to you or answering your email. It is unlike me. Therefore, =ou can only deduce, that something else must have been going on, for me to =eact in this way. So in the eye of your storm, which I know is hellacious, =ay I ask you to accept my apology for not reaching out to you, in the eye of MY =orm, and accept and understand that I was in fear beyond all totality and I =ould not move left or right because of it, and was close to bed ridden with =he fear of what was happening. I was paralysed. I was advised in no uncertain =erms to having nothing to do with you, and not to speak or email you, and if I =id, I would cause more problems to both You and The Duke and myself. So I shut =own and ran away. I was broken and lost. So please understand, as I do about =ou, that I ws broken and not the strong person you know, and I got =ompletely obliterated too, and I saw all my childrens work etc disappearing.. I =hut down and everyone out. I was frightened. The Palace system is frightening, =nd each step I turned or each action was wrong and I did not want to hurt Andrew =ne more time.

So Jeffrey, this email is sent with a hope you accept, and understand a =ittle of my side too.

We are and have both been in the firing line, both blamed for stuff we =ave not done, this front line attack has been like this for me for 22 years. You =ould have thought I was thick skinned enough to handle it. I know there are 2 =ides to every story, I have heard yours, please hear mine.

I am glad you spoke to James, and James made you aware from the British =edia standpoint, that all this hellaciousness had been going on many days =EFORE my statement. And I was instructed to act with the uptmost speed, from most =ides, if I was to have any chance at all holding onto my career as a childrens =ook author etc and a childrens philanthropist, and I got terrified. I should =ave taken advice from you too, before speaking to Geordie, and taken a day =r two to think of the ramifications of my actions, but for the reasons as =tated above, I was in over riding fear. I am sorry. I just did not know what =r where to turn.

I know James can send you every single article from the days, weeks, =eading up to that Monday of the statement from the endless horrendous pages =ritten about You and The Duke. So you can see why I became paralysed.

I know you and James are going to work on a solution.

In the meantime, I write this from the truth of my heart.
