hi jeffrey,

i just took other pictures of the relax ro=m..i hope they are better.  
the samples i did are 8 inches wide lines, and one has the=distance between them twice as larger(16 inches) and one twice as s=aller(4 inches).  
maybe we should just do the distance between lines same size=as the lines(8 inches).

.....  
yesterday i started the sample on the mechanical building. i=will take pictures of that at the end of the day..i'm still working on tha=  
thank you,
