LSJ insurance renewal date was 5/15/2011 Insurance co is looking for an =k to renew policy and is now threatening penalties or not to renew if =hey do not receive an answer immediately.  
Annual cost is \$325,000 for \$21,552,760 of coverage (10% wind deductible =nd \$2,500 for all other perils) Some highlights of policy include: (1,500,000 hardscape, office =avilion 2,732,000, mech bldg 3,234,000 and generator 3,760,000)

My recommendation is to renew as we can cancel at anytime and get back =ro rata unearned premium

Please advise
