Hi Igala

My life is very hectic with work =hese days and I have clients on a waiting list. I am sorry I =ould not send the invoice/plant list yesterday.

This =s what is available for LSJ now if paid by wire within 10 days and if =icked up by end month. Deals are happening fast now and if LSJ does not =ove fast even these will be gone.

As mentioned to you in a =onth or so I may have another container worth of plants as I am still =olding some plants for other customers I am designing projects for, but =f the deal does not go through I can offer them to =ou.

Please tell mr Epstein that I already =pplied a 20% discounts to my prices eliminating all the maintenance =osts that have rocketed the prices up since January. The plants are =versize for the pot as I have not repotted them up as I should have =ecause I want to sell them, but we kept feeding them and treating them =ith all the best professional nursery =actices.

Also tell him that if he pays =ccording to the terms, I am willing to visit the island and provide =onsultation advice on where these plants should be planted and how to =repare the soil mix and drainage, which are the most critical things =or success and I am an expert on this. My drainage and soil design =llow my plants to grow bigger over the years when I instead I see other =people's planting dying and replaced after 6 months or a =ear.
