..i attached here more pictures of mechanical buildings..

those pipes doesnt look bad white, ..they just put primer on pipes and do=rs

in case you want to do something else on the second mechanical bui=ding i was thinking ...pipes and doors that white is on the wall on the fi=st mechanical building and the rest that light gray you can see it on the =irst mechanical building on the right top corner right next to the blue ro=f. its just an idea..

..or just finish with the arches? anyway i will keep going with th= arches until i get an answer from you.

thank you
