Good Morning,

This is a plant material order that I would like approval for, which would provide the plants needed for the main entrance.

The courtyard planters,  
And the flowers to fill in the owners road.

\* please note there is a mistake in the total cost for the sod, she calculated it for 2400 sqft and it is actually 3400 sqft So the total for the sod is \$1,190

Thank You,

Igala
