Dear Terje,

Attached you will find the MAPS of DUINO town with the property of the Castle Gardens and the Castle highlighted in yellow-green.

It will be best to print out both pages and join them together as they have to be seen joined together.

NB: The areas circled in pink are property of the same owner, but are not for sale. One is his private residence and one is the family cemetery. Here a right of occasional access to the cemetery would have to be agreed to by the purchaser of the castle and its grounds.

Floor plans of the castle will follow now.
