Sorry for delay.
Doing this show has eaten up all my time.
I'm off for the next 2 days.
They did my depo on a Sunday two weeks ago, what a waste of time, and a pain in the butt.
I'm coming to Ft. L the 20th, meeting with mediator 21, then another depo o= 22.
Total waste of time and money.
Berger Singeman firm is such a sad situation.. They are wasting all the money of the creditors and victims. And the system us allowed to operate this way.

I can tell you now that there is nothing I have access to of Beth's.
And Scott barely used Qtask in the first place (he knew it tracked
everything)
If I were to assume, Beth would not have stored anything back then in Qtask because it was something new to them
back then.
