May I read ████ Karenina? I have brought from Moscow=just before we spoke and you gave me an assignement. I can't wait to read =t.

Definitely I want dream about dogs, because I will dream about my =ssignement! The most beautiful things! I think I have formulated the answe= during preparing to sleep.
I also hope that I won't dream of you becaus= last time I dreamt of you, the following day you wrote me those angry mai=s.

I like to speak to you because you make me think. By asking some q=estions you push me so far in my mind, I do not know how to explain in eng=ish, but these questions make like an echo in my head, like a labirint, an= i am going deeper and deeper. Just do not take the wrong roads in interpr=ting me, just do not interprete me.

For whom was the question about t=e pieces of the life?

Good night
