This is a friend of mine th=t I mentioned you. I know him well (as well and his wife). </=>

He is very sharp and s=per connected in Italy.

He is now thinking of running for Italian presi=ency in a few years.

As he is economi=t, he wants to get some background in government relationships.<=u>

This is a reason=that he would like to spend a year at HKS starting September.

His is able to t=ke a year off from his current post as a Managing Director at Mediobanca S=p.A.

He would like to=spend a year as a fellow (or whatever other title is) working either for D=vid G or Larry.

Could you please=ask David if he could consider discussing it with him (I think that David =ould be much easier than Larry – also as Marco is economist that would l=ke to go into politics, David might be a wiser choice). Marco will be i= USA the second week in July and would like to meet David to discuss

=A0

Thank you!

Boris
