Dear Jeffrey ... I have got a situation here , and i was wondering if there is anything in you power to help me .  
I have got [REDACTED] . they are ready to confirm , but i haven't got the visa to come to ny . I don't have a time to open working visa , but i probably could get a tourist visa for this one time. i have called the embassy today , and the nearest appointment is on 15 of june . it takes 5 working days to issue one . obviously a can't tell them that it is an emergency , as i am not supposed to work on tourist visa. Is there anything a can do about it ? I am really sorry to disturb you with it , but you are my only hope right now . any ideas?

Thank you

[REDACTED] x
