Hi Nadia,

I was browsing through your pictures and you are an inspiration – a model and a pilot. I didn't even know that was possible! Nowadays it is hard for a young female pilot like me to find role models as well as other females to look up to in the aviation industry, but I would just like to say that you are definitely one of them, and I would really like to keep in touch with you and discuss past experiences with flying and advice. Keep doing what you are doing because you are a great inspiration to all.

Blue skies!
