

**BLUE WATER GRILL**  
**MONTHLY MANAGER PLANNING SCHEDULE**  
**JANUARY**

**MAINTENANCE DOCUMENT**

1/22/03

**GM Assign each item to be completed by Specific Date.**

## MASTER

### WEEK 1

- \_\_\_\_\_ **VIP fire inspection document completed and faxed to Laurel, Gerardo and Gary. Follow up any problem. Keep records.  
Note: In case of inspection by the FDNY. E-mail the result of the inspection  
Keep copy and follow any problem. Send original to Seemoy.**
  
- \_\_\_\_\_ **Exterminator** - Pull and follow master instruction document.
  
- \_\_\_\_\_ Follow maintenances man document and review his work for the corresponding week.
  
- \_\_\_\_\_ Confirm tool area is clean and organized.
  
- \_\_\_\_\_ Have Maintenance E-mail ready (problems and questions).
  
- \_\_\_\_\_ **Once a monthly only on the 1<sup>st</sup> Monday water your main plant on the stairwell. Only pour small amounts of water around trunk of plant till base overflows then drain base and do it again. You must soak all soil since you only do this 1 time a month. Approximately 4 pitchers.**
  
- \_\_\_\_\_ Have all waiters bring all table adjustment feet to "0" and rebalance.
  
- \_\_\_\_\_ **Wipe down all Bar and chair legs, and table bases. Remove all gum from under Bar rail**  
and under regular chairs and tables. (porter)  
\_\_\_Main Floor      \_\_\_Jazz Room      \_\_\_Vault Room
  
- \_\_\_\_\_ Have dishwasher soap supplier, test machine with test paper to be sure proper amounts of chemical are being used. Too little --you won't pass BOH; too much --and you're wasting money. Review and check this with service man at time of testing.
  
- \_\_\_\_\_ Have dishwasher decaled. They only need 1/6 of a gallon of chemical. 1 gal. = 6mos.
  
- \_\_\_\_\_ Have the Sanolite technician fill the preventive check off sheet for dish machine and Follow any recommendations.

**BLUE WATER GRILL**  
**MONTHLY MANAGER PLANNING SCHEDULE**  
**JANUARY**

- \_\_\_\_\_ **Clean all espresso handles and regular coffee filters with baking soda - remove strainers and clean baskets and holder of machine.**
- \_\_\_\_\_ inspect and keep organized soda room.
- \_\_\_\_\_ Clean all white ice buckets inside and out with Ajax.
- \_\_\_\_\_ Have **each** manager on 3 different days go through \_\_\_\_ garbage with dishwasher \_\_\_\_ linen with busboy. Review findings with other managers and workers.
- \_\_\_\_\_ Check all large folding tables for any necessary repairs or painting.
- \_\_\_\_\_ Check plastic weave on café chairs for any rips or pieces of weave coming undone, can cause harm to clothing as plastic is hard.
- \_\_\_\_\_ Evaluate any interior & exterior required painting.
- \_\_\_\_\_ Test surveillance equipment.
- \_\_\_\_\_ inspect and keep organized storage area in basement.  
any problem inform the corresponding department, Maintenance or BOH.

### FIRE EXTINGUISHER CHECK OFF LIST

RESTAURANT:

After this report has been filled out, please fax to LIC operations at 718-706-9827.

LIC. Operations will follow any issue or schedule with the fire preventive company.

Check all fire extinguishers have proper fire inspection tags on them and are not expired. **Initial and date the back of the tag under “Monthly Inspection Record”. Follow “Fire Extinguisher Check Off List” to confirm extinguisher are in assigned places. When sending fire extinguishers out for service, you must put the stores name on the bottom in black magic marker.**

[illegible]

**BLUE WATER GRILL**  
**MONTHLY MANAGER PLANNING SCHEDULE**  
**JANUARY**

**REFRIGERATION COILS CLEANING PROCEDURES**

Coils must be clean and maintained in proper order monthly. This will assure the proper functionality of the refrigeration equipment, reducing costly repairs and also reduce energy consume.

Maintenances man needs to have the following items. Plastic brush, coil cleaner, spray bottle.

**INSTRUCTIONS:**

1. In the spray bottle mix water and 4 oz. of coil cleaner.
2. Turn OFF the compressor.
3. Once the compressor is OFF spray the formula on the coil and let it work for at list 5 minutes, repeat spraying, once the grease is loose clean the front of the coil from the top to the bottom with the plastic brush. Repeat this operation until the coil is totally clean.
4. When you finish make sure to turn ON the compressor.

**NOTE:** Each compressor takes about 15 to 20 minutes to clean.

All compressors need to be clean, including the refrigeration units that do not have cooling coil. (Water cooling units, self contain or remote compressors).

**VIP** Report any problem with compressor to managers. Be specific.

\_\_\_\_\_.

Refrigeration unit	Num#	Unit description	System type	Compressors location

**BLUE WATER GRILL**  
**MONTHLY MANAGER PLANNING SCHEDULE**  
**JANUARY**

**HOST REFERRAL**

If you cannot accommodate a party at their desired time, and they are not flexible in time, then you must refer them to another BRG restaurant. "I'm sorry, but we are fully committed at that time, if you're time is not flexible perhaps I can recommend another of our restaurants who might be able to accommodate you." You will receive a list from your manager as to what restaurants you should push the business to. Think of yourself as the guest. You should guide them to similar cuisine, location and price when possible. Be sure to let the guest know you are only making a suggestion, not guaranteeing them that the restaurant you recommend will have the availability they desire.

**HOST HOLIDAY REFERAL**

When you arrive for your shift check for the e-mail that is posted telling you which BRGuest restaurants have availability, for what size tables and what times. If you do not see the list posted ask a manager to print one for you. You should have a copy of this list in front of you for your entire shift. Use the list to guide your guests to other BRGuest restaurants as noted above.

**MANAGERS HOLIDAY REFERAL**

Depending on the holiday restaurants will book up at different speeds. When you see that you are booked for a certain seating or group of time slots you must advise on the 1010is conference call. The assigned office assistant will compile a list of all restaurant availability. As you book additional seating or groups of timeslots continue to update. You must review the updated information on the 1010am conference call. The

**BLUE WATER GRILL**  
**MONTHLY MANAGER PLANNING SCHEDULE**  
**JANUARY**

assistant will e-mail all managers the updated list everyday, starting the day after the first restaurant has booked a seating or group of timeslots.

**OFFICE ASSISTANT HOLIDAY REFERRAL**

You will send out a list of each stores holiday availability starting as soon as you receive word that the first store no longer has full availability. The list must be e-mailed to all managers and all DO's by 11.30am everyday until the day of the holiday in question.
